

Over the course of the three days the programme will focus on exploring the challenges of providing meaningful guidance in a multicultural context; with reference to upskilling and 'The new skills agenda'

This will be done through the exploration of models of provision, the sharing of existing good practice by participants and site visits to a number of Irish guidance services.

	Meet Location	Time(s)	Details
<p>Tues 19 Feb</p> <p>Please note: This is a prolonged day of activities.
